

All,

I am excited to announce that GPAC will sponsor a two day grant writing course specific for **Law Enforcement, Fire and EMS** on January 13 & 14th in Forsyth, GA. The course will be presented by Richard J. Condon & Associates and you can check out his website at:

<http://www.richardjcondon.com/>

The training will be offered at a rate of \$250.00 for each GPAC Member and \$350 for Non-GPAC Members (based on availability, GPAC members have priority).

The class is **limited to only 30 attendees** in order to facilitate the writing exercises, discussion, etc. Due to the high demand and low cost of this course we will limit registrations to one member from each agency.

GPAC will also be awarding two scholarships to GPAC Members to attend this course. The scholarship will include tuition and one night stay at the host hotel. Information regarding applying for the scholarships will be coming soon.

Registration will begin in September and information will be posted @ www.gpacinc.com

The training, and accommodations, will be located at:
